

FACT SHEET

MISSION

Scenic Pittsburgh protects, preserves, and promotes the scenic resources of southwestern Pennsylvania.

Protect – Scenic Pittsburgh champions sound scenic policy, supports legislation that limits visual pollution (such as billboards and other outdoor advertising), and advances sustainable placemaking.

Preserve – Scenic Pittsburgh utilizes targeted advocacy and public awareness initiatives to preserve the beauty of the region’s scenic resources (mountains, rivers, vistas, and neighborhoods) for future generations.

Promote – Scenic Pittsburgh partners with organizations and community leaders to promote the region’s scenic resources as a catalyst for vibrant and sustainable communities.

HISTORY

Scenic Pittsburgh, established in 2010, is southwestern Pennsylvania’s only nonprofit organization dedicated exclusively to protecting, preserving, and promoting the region’s scenic resources. Scenic Pittsburgh is an affiliate of Scenic America, the nation’s premier scenic conservation organization, and a project of the Pennsylvania Resources Council.

Director of External Affairs

SOURCE OF FUNDING

Scenic Pittsburgh is primarily funded through the generous support of the following foundations: Colcom Foundation, RK Mellon Foundation, and the Laurel Foundation.

PROGRAMS

Scenic Advocacy and Public Policy – The Advocacy and Public Policy program addresses the laws and policies governing the conservation and use of southwestern Pennsylvania’s irreplaceable scenic resources.

Scenic Asset Inventory – The Scenic Asset Inventory is a survey tool designed by Scenic Pittsburgh to evaluate scenic assets and deficiencies within a specific geographic area.

Scenic Neighborhood Program – The Scenic Neighborhood Program works with municipalities and communities in the identification, use, and preservation of their scenic resources.
